COMMUNITY EDUCATION FOR GIRL SCOUT TROOP 4082

Terry DallaValle, a volunteer for the Carl W. Nelson Animal Shelter, spoke to the 4th and 5th grade Wonewoc Girls Scouts, about pet responsibilities. Information was presented about her role at CWNAS, the 3 dogs, 5 cats, and 1 foster kitten that she has and what she has to do to take care of them. The shelter's 4 anchor programs of education, foster care, elderly assistance, and the spay & neuter program were explained. Age appropriate pet care and responsibilities were explained through role-playing and a drawing exercise. The scouts were informed that the yearly cost to care for a cat could be as high as \$1,200.00, \$2,500.00 for a dog and that about 8-10 million dogs & cats are in shelters and about half are euthanized each year. Each scout was given a choice of a coloring book entitled "Let's be Safe Around Dogs and Cats", donated by Culver's of Mauston, or "Fido: Friend or Foe?", donated by Leroy Holthaus Insurance & Financial Service of Mauston. The scouts

were educated on bite prevention by teaching them ways to identify different animal behavior. As they left they were each given a stuffed animal made by inmates at New Lisbon Correctional.

We would like to thank Scout Leader, Judy Pesz, and the entire troop of Daisy, Brownie and Junior Scouts for holding a Soup and Sandwich Fundraiser in March that raised \$500.00 to benefit the Carl W. Nelson Animal Shelter.

CWNAS Receives a \$5,000.00 Grant

The Carl W. Nelson Trust Fund has awarded a \$5,000.00 grant to CWNAS. The grant provides the funds to have our animals checked by a veterinarian, spayed or neutered, and brought up to date on vaccinations. It also provides the funds to have the animals tested for certain communicable diseases, which helps prevent the spread of these diseases to the general population. CWNAS would like to extend a big thank you to the Carl W. Nelson Trust Fund trustees for helping to ensure that we can carry on our work to help the homeless animals of Juneau County.

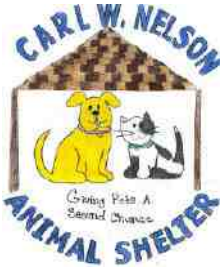

Linda Sue Miller (L), Carl W. Nelson Trustee, hands check to Ann June (center), and Kathy Storandt, CWNAS board members.

Mauston Headstart Students get Pet Safety Lesson

On April 6, the students at Mauston's Headstart got a lesson in pet safety, compliments of the Carl W. Nelson Animal Shelter (CWNAS). As part of their "I Love my Pet" learning section, CWNAS

representative, Rosemary Aney, visited the students and talked with them about being safe around their own pets, and pets they may meet in the community. The children each received a stuffed animal made by the New Lisbon Correctional Institution. The Carl W. Nelson Animal Shelter presents humane educational programs to area youth groups in an effort to teach pet safety, compassion, and responsibility to the

children. "CWNAS believes that changing the future of animal sheltering in Juneau County begins with teaching the children responsible pet ownership at an early age", said Aney.

Bart is a very handsome boy with silky long black hair. Bart loves to play fetch with his ball. He loves people and will be a fantastic pet.

Andy & Oreo are litter mates who are about 8 months old.

These boys have been together since they were born and must be adopted together. They are very loving towards people and other cats.

Sugar is a sweet, young female tuxedo with long hair. She was removed from an abusive situation. Now Sugar just needs someone to give her a good home so she can show them what a loving kitty she is.

Binx is a very affectionate, beautiful 18 month old grey and white male cat. He has been neutered and is declawed in the front. He is getting used to having other cats around, but he might be happiest being alone, or with just one other cat for a playmate.

Solo, SweetPea, Striker, and Seven were abandoned in Mauston this winter. They were in very poor condition when they were found, but with loving care in a foster home, they are

now healthy.

Solo & SweetPea

Despite their poor beginning, these are amazing cats. They love to play and get into trouble. Though Seven was a little anxious

Striker

at first, she has come out of her shell, and is much more social now. She is playing like a kitten with the rest of them. Seven's hair is growing back and she will be a great pet.

Solo, SweetPea, and Striker are littermates about 3 months old. Seven is about 1 year old.
